Subject: Letter of Appreciation for Partnership in Sustainable Livelihood Initiatives

Dear Janvikas Samajik Sanstha Team,

Worley Services India Private Limited would like to express its sincere appreciation for the dedicated efforts of Janvikas Samajik Sanstha in implementing community development initiatives in Raigad District, Maharashtra.

Since the beginning of our partnership in FY 2023–24, Janvikas has served as a reliable implementation partner, demonstrating strong grassroots engagement and an effective approach to delivering sustainable livelihood programs for rural communities. Through this collaboration, several initiatives have been implemented in the Murud and Roha blocks of Raigad District aimed at improving the economic well-being of vulnerable households.

These initiatives have included livelihood promotion through goat rearing for low-income families, dairy-based livelihoods through buffalo rearing, and strengthening fish-based occupations by supporting fishing households with assets such as boats, repair support for existing boats, fishing nets, and livelihood assistance for women involved in fish vending. These interventions have helped participating families enhance productivity and generate more stable sources of income.

Between FY 2023–24 and FY 2025–26, this partnership has supported 886 families (approximately 4,252 individuals) across multiple livelihood initiatives in Raigad District, including support for 100 families through goat rearing, 9 families through buffalo-based dairy livelihoods, and 582 families through fish-based livelihood and entrepreneurship initiatives, while an ongoing integrated livelihood project in Bhalgaon Grampanchayat is currently supporting 195 families.

We also appreciate Janvikas' continued efforts in implementing the ongoing project in Bhalgaon Grampanchayat, Roha Block, which focuses on strengthening household nutrition through kitchen gardens, promoting environmental sustainability through fruit tree plantations, and supporting women's economic empowerment through micro-enterprise development and capacity-building programs.

Janvikas has demonstrated professionalism, transparency, and a strong commitment to community engagement while implementing these initiatives. Their field-level experience and close connection with local communities have contributed significantly to the effective delivery of the programs and the positive outcomes achieved so far.

We value this partnership and appreciate the contribution of Janvikas in helping advance sustainable livelihood opportunities and community development for rural families in Raigad District.

We look forward to continuing this meaningful collaboration in the future.

Yours Sincerely,

Name: Juhi Sinha,
